ABOUT THE TRAINING:

The Center for Resolution & Justice (CRJ) is pleased to host a comprehensive 2-Day Custody/Visitation Mediation Training. Trainer Sarah Rudgers-Tysz will focus on mediating issues such as co-parenting schedules, how parents make decisions together, and the variety of complications that can arise when managing complicated relationships and logistics; this is the training that is a pre-requisite for mediating family court referred or parenting-plan cases.

The material will be presented through lecture, demonstration, role play and practice. Our approach starts you on the path to becoming a skilled mediator who is able to mediate in court-referred, community and private contexts.
